

*Not sure if you filed your Homestead/Farmstead application or if you would like to check to see if the Erie County Assessment Office received your Homestead/Farmstead application. You can check it here at this site.*

<http://www.eriecountygov.org/Assessment/Property/Selector.aspx>

*Follow these instructions:*

1. *Click on the link. This will take you to the Erie County Assessment Office web page.*
2. Under Assessment Records you will see Search Property Records, click it.
3. You will see a box labeled "House Number", type in your house number.
4. Now go down to the box labeled "Street Name", type in your street name.
5. Now click the search button
6. You should now see a series of numbers in blue that are underline to the right of your address. This is your parcel number. Click the parcel number.
7. A new screen should appear with information about your property. Look for the section entitled "Values". The last line in the values box is an item labeled "Homestead". If you see Active then your application has been approved. If you see Inactive then your Homestead application has not been received or has not been approved.
