Dear Families,

Learning to read early on will promote success in your child's school career! Children need to be exposed to many types of books for example ABC books, rhyming books, and repetitive books. They also need to hear quality stories read aloud by you or a sibling.

Encouraging reading is one of the most important things you can do to help your child succeed. Scholastic Reading Club offers these types of books at lower prices than most stores. You can view many of them by going online to look at the flyers or you can wait until the flyers are sent home with your child each month.

With Scholastic Reading Club:

- You can choose from handpicked, grade and reading-level-specific books for your child
- You'll find the best values on a variety of formats, including eBooks and books on CD.

Each month, your child will bring home Reading Club flyers. You can order using the order form and write only one check totaling all flyers, or you can order online using your credit card to make it easier. All books will be shipped to the school and then sent home with your child. The best part is... you will not pay any shipping or tax on the books!

So, enjoy picking out books with your child and then reading them and talking about the stories. It's a great way to spend time with your child and they will love you for it!

Happy reading,

Michelle McAvoy
