Dave DiTanna and Jeremy Smith from BWB presented an overview of the Auditor's report.

Meeting concluded at 6:35

Curriculum Committee

1/18/21

Meeting called to order at 6:35 pm

Present: Shawn Matson, Julie Pikiewicz, Tara Pound, Mary Pushchak, Andy Pushchak, Nicole Lee, Josh Paris, Jeremy Bloeser, Amanda Farrell

Jeffrey Styborski explained the premise behind the Jefferson Civic Leadership Academy (JCLA) and his hope to work with the district on conducting research on the 'Digital divide as it exists in the rural county'. Mr. Styborski created a survey and he is requesting the use the District's communication resources to distribute this survey. Questions would ascertain which municipality they live in as well as user experience with the conductivity and reliability of their internet service. No personal data is being collected and the data will be made available to the school district, as well as each of the townships. The information will also be presented to JCLA. The goal of this survey would be to use that data to seek out possible grant funding to expand the internet broadband coverage in the municipalities that make up the Wattsburg Area School District. The consensus of the Board was to move forward with a vote at the regular board meeting on whether to use the District's resources to distribute the survey.
