

Student Created Photography Rubric

Name:	EXCELLENT High Achieving 20pts.	AVERAGE Moderate Achieving 16pts.	Below Average Poor 13pts.	Comments
Assignment specifications/requirements (subject matter, number of images, eliciting an Emotion, neatness, effort, etc.)	Strong choice of Subject matter. Images achieve the most striking photograph/image.	Images meet the minimum level of Quality and subject matter to satisfy the assignment. Subject matter could be improved. Satisfies some of the assignment requirements.	Subject matter does not satisfy assignment requirements. Shows minimal to no evidence of requirements.	
Image Quality (focus, color, depth of field)	Correct exposure for the setting. Color (or gray scale) add to the mood of the image. Focus and depth of field help define the mood.	Photos taken with correct exposure for setting. Color, depth of field are adequate.	Some images too dark/light distracting from the mood of the project. Poor depth of field.	
Creativity/Originality	Amazing photograph/project. Well organized, unified meaning, interesting, different, unique approach to the assignment.	Good approach to showing some creativity but could have been planned, executed and enhanced for a more powerful image.	Photo/s show little or no creativity. Dull, lacks impact	

	Excellent photos.
