2020-2021 TRANSPORTATION OPT-OUT STATEMENT

In light of the COVID-19 pandemic, the Wattsburg Area School District conducted a survey of parents/guardians to ask if they are able/willing to transport their students to and from school during the 2020-2021 year.

The District is asking parents/guardians to confirm their plans to transport their student(s) to and from school. **If your student(s) will ride the bus to and from school, there is no need to return this form.**

Therefore, I agree to the following:

I recognize, as the parent/guardian of a Wattsburg Area School District student that the student has the right to transportation provided by the School District.

I agree to opt-out and waive my student’s right to receive transportation from the School District for the 2020-2021 academic year.

I agree to arrange transportation for my student to and from the School District for academic sessions on all school days during the 2020-2021 academic year:

AM

PM

The School District agrees that it will continue to provide transportation for my student if necessary, for field trips, extracurricular activities, and athletics during the 2020-2021 academic year.

The School District agrees that if my circumstances change during the 2020-2021 academic year and I am no longer able to arrange transportation for my student, the School District will allow the student to resume use of School District transportation.
