## **Academic Honesty**

Cheating (including plagiarism) is academic dishonesty that has both academic and disciplinary consequences. A student who cheats or plagiarizes any assignment will receive no credit for the assignment in the gradebook. The student is also subject to disciplinary action that will be treated as a level 1 offense (see also Discipline).

\*Plagiarism is defined as the act of taking the ideas and or expression of ideas of another person and representing them as one's own.

## **Academic Support**

The timely completion of all academic assignments is expected. Failure to do so may result in students being required to stay after school to complete the required work. Students that are required to stay after school to complete academic assignments but do not comply will be referred to the office for appropriate disciplinary action (formal after school detention). Students who may require extra help in a subject may also be assigned academic support.

## **Appearance**

Decency as interpreted by the staff and administration is to be maintained. If a teacher or staff member feels an article of clothing may violate the dress code as outlined below, he/she will request that the student make a change of clothing. If the student does not comply, the teacher should report the student to the office. Administration will make a judgement concerning the apparel and take appropriate action.

1. Hats and head coverings (including hooded sweatshirts when hoods are on the head), sunglasses, and other accessories (chain wallets) are not permitted inside the school building during the school day.
2. Footwear that is appropriately safe and unmarking shall be worn at all times.
3. Clothing that defames or degrades any individual or class of individuals, or attire that contains crude or vulgar slogans or images shall not be permitted.
4. Clothing may not advocate unhealthy or illegal behavior.

- 
5. Tank tops, halter tops, tube tops, thin/spaghetti strapped tops, sheer or see-through tops and or pajama bottoms/pants are not permitted.
  6. Undergarments that are exposed are not permitted.
  7. Bare midriffs should not be visible between the bottom of the shirt and the top of the pants when the student is sitting or standing.
  8. Skirts and shorts should not be too short. This is defined by a minimum 3.5" inseam.
  9. Pants, jeans, and sweatpants should not have holes or rips within this 3.5" inseam area.
  10. Coats or jackets are not permitted during the school day; however, sweaters and sweatshirts are permitted.
  11. Blankets are not permitted.

## **Assemblies**

Several assemblies will be scheduled throughout the school year. It is mandatory that each student sit with their homeroom class. For many of the speakers and performers at our assemblies, this will be a one-time opportunity to share their knowledge and talent with the school. Therefore, it is imperative that the student body exhibits the proper respect, manners, and hospitality we would expect from others. Students may be held from attending an assembly for not complying with school rules and regulations.

## **Athletics & Extracurricular Activities**

The term extracurricular activity shall be interpreted to include but not necessarily be limited to the following activities:

1. Interscholastic athletics, intramural athletics, cheerleading, and lifetime sport activities.
2. Drama, music, and all other school-related activities.

Participation in extracurricular activities is believed to be an important part of a pupil's education. Thus, the WASD Board of Education encourages all students to participate. However, such encouragement is predicated on the belief that students should exhibit the appropriate behaviors and attitudes while participating. Participation in any extracurricular activity is a privilege. Failure to abide by district policies, in addition to the rules and regulations stipulated by the supervisor, coach, and/or advisors of the activity shall result in appropriate disciplinary measures, including suspensions or dismissal from the official event of the sport or activity and from practices.

### **School Attendance**

When a student is absent from school, he/she may not participate in any extracurricular activity (including practices) on that day, unless approval is given by the administration at the request of the coach or advisor before 2:20 p.m.

---

If a student is tardy to school on a given day, or reports to school after 11:00 a.m., he or she may be denied participation in extracurricular activities that day by school administration. The basis for such decisions will be made on the legitimacy of the tardiness.

### **Behavior**

Athletic team members and extracurricular activity participants are representatives of our school, and therefore, shall always set a superior standard of behavior.

Student athletes are required to strive for academic excellence. The PIAA regulations regarding scholastic eligibility shall govern WAMS eligibility.

### **Team Rules**

Each coach and advisor shall be required to establish team (or activity) rules that regulate the behavior of team members (or activity participants). Rules for the team or activity must be in writing and given to each student participant when he/she becomes a member of the team or activity. Both the participant and parent must sign a statement indicating that they have read and understood the team rules and this policy before the student can participate in any event.

### **Uniforms and Equipment**

All uniforms and equipment issued to student athletes, musicians, or other extracurricular activity participants are the property of the WASD. Students are to return all such items at the end of the season. Any student still having equipment and uniforms will not be allowed to start a new sport until the matter has been cleared to the satisfaction of the school staff. Any item checked back in will be checked for normal wear and tear. If there is excess wear and tear, or the item is missing, the issuing advisor/coach will complete a Student Obligation Debt Sheet and turn it into the office. The advisor/coach will inform the student of the debt owed (see also Debt Policy). Students will be cleared of the debt only by paying for it at the main office or turning in items owed to the coach reports to the debt.

### **Calling for rides**

Having all students call for a ride at the end of any activity is time consuming and impractical. Therefore, if your parents are to pick you up after you return from an activity, ask them to be waiting for you at a specific time at the school. Ask your advisor/coach ahead of time for an approximate return time to help ensure pickup. Failure to do this may result in the student's inability to participate in future school activities.

---

## **Athletic Eligibility**

\*\*This is only applicable to district sponsored PIAA recognized programs in grades 7 & 8

1. Ineligible students are not permitted to participate or practice with the team or activity. Students in this category will not be permitted to travel to events outside of the district. Students can be ineligible for academics, debts, and or attendance.
2. Students failing five or more classes will not be eligible to practice or participate in athletics or activities.
  - Teachers report grades every Thursday. An eligibility sheet is then sent out to all coaches and/or advisors on Friday.
  - If a student is failing five or more classes, they are ineligible to compete in athletic practice or competitions beginning Sunday through the following Saturday.
  - Students become eligible the following Sunday if they are failing less than five subjects when the teachers turn in the grades for the week. Coaches will inform students if they are ineligible.
  - Students will not be able to have grades changed during the week.
  - Questions regarding eligibility status should first be discussed with the teacher(s) and then the principal.
3. A students who has been absent from school during a semester for a total of twenty or more school days, shall not be eligible to participate in any athletic contest until he/she has been in attendance for a total of forty-five school days following his/her twentieth day of absence (PIAA regulation).
4. Students choosing to participate in athletics are expected to be drug, alcohol, and nicotine free on a year-round basis. Students participating in district athletics are required to cooperate with and agree to testing for drugs and or alcohol in accordance with this policy.
  - The use, unauthorized possession, or distribution or drugs, drug paraphernalia, misrepresented substance, alcohol or tobacco/nicotine products on school property, school buses, traveling to or from school, or during activities under school jurisdiction is prohibited and shall constitute a violation of this policy and result in sanctions as outlined in this policy. Additional disciplinary sanctions outlined in district policy and student handbooks shall also apply.
  - A positive random drug test shall constitute a violation of this policy and result in sanctions as outlined in this policy.

## **Attendance Procedures**

Wattsburg Area School District follows all state guidelines and procedures regarding attendance, tardiness, and truancy.

The attendance office is in the main office. All matters involving school attendance are to be handled by the attendance secretary and school administration. Excuses must be submitted within three days of return following the guidelines in the sections below. When absent, the student is responsible for making up schoolwork as per teachers' directions. Alternate assessments may be given at the discretion of the teachers.

### **Compulsory School Attendance**

Note regarding Compulsory School Age - Policies 201, 204, & 208

HB 1615, now Act 16 of 2019, amends the definition of compulsory school age in the PA School Code

24 P.S. Sec. 13-1326. Beginning with the 2020-2021 school year, compulsory school age will be defined as from the time the person in parental relation places the student in school, which shall be no later than six (6) years of age until the student reaches eighteen (18) years of age, unless the student has graduated from school.

### **Excused Absence**

Students residing in the Wattsburg Area School District will be temporarily excused from attending school with written excuse for the following reasons:

1. Illness and other urgent reasons, i.e., death in family, family emergency, court appearance, impassable roads, weather emergency
2. Health care
3. Observation of religious holidays
4. Educational trips, pre-approved but not sponsored by the school district. See also Educational Trips for specific timeline and pre-approval requirements.

### **Unexcused Absence**

Students will be considered unexcused or unlawfully absent for any of (but not limited to) the following reasons:

- 
1. Babysitting.
  2. Missing the bus when it is reasonably on schedule.
  3. Hunting or fishing when it is not part of a pre-approved educational trip.
  4. Working when it is not part of a work study program.
  5. Shopping, running errands, participating in a hobby, or pursuing a skill.
  6. Submitting a parental excuse (instead of a medical excuse) when beyond the 10 allotted days. \*See "Parental Notice of Absence" section.

### **Parental Notice of Absence**

Parental excuses are accepted for a maximum of ten (10) days of lawful absences. All absences beyond ten (10) cumulative days require an excuse from a licensed medical practitioner. After ten (10) absences, parental excuses will be marked as unexcused/unlawful and remain as such until a medical excuse is submitted within the allotted number of days following the student's return to school.

### **7 Day Letter - Excessive Absence Notification**

1. After seven days of absence in a school year (whether excused or unexcused), an administrator will send a courtesy letter to the parent or guardian. The student will be placed on the excessive absence list.
2. Such notification will include a statement regarding the need for a doctor's excuse for absences, should the excessive rate of absenteeism reach ten (10) days.
3. Students with excessive absence may be referred to the Student Assistance Program (SAP).

### **10 or More Day Letter - Physician's Excuse Notification**

1. After ten (10) or more days of absence in a school year, a letter of notification will be sent to the parent/guardian by the building principal, upon review of the circumstances of such absences.
2. Upon issuance of such letter, subsequent absences shall require a medical professional's excuse. Failure to supply one will result in the absence being considered unexcused and/or unlawful.
3. Attendance secretaries and/or administration will carefully review absences. School administrators are authorized to excuse such absences from school for necessary and justifiable reasons.
4. If the SAP process has not been initiated, it will be recommended.
5. The parents or guardian of students who demonstrate significant and sustained improvement in attendance, as determined by the administration, will be sent written notification that a physician's excuse is no longer required to sustain excusable absences as outlined previously in this policy (see: Excused & Unexcused Temporary Absence).

---

## **Tuant/Habitual Tuancy**

Truant – A child subject to compulsory school laws having three (3) or more school days of unexcused absence during the current school year. These absences do not need to run consecutively.

Habitual Tuancy – A child subject to compulsory school laws having six (6) or more school days of unexcused absences during the current school year. These absences do not need to run consecutively.

## **Unlawful Absence (Under 18 years of age)**

It is the responsibility of the parent or guardian to submit, in writing, a reason for their child's absence after the child returns to school. If an excuse is not submitted by the third day after returning to school, the absence will be recorded as unlawful \*\* (see also: Excused & Unexcused Temporary Absence).

When a student has accumulated three (3) days of unlawful absences or its equivalent, it shall constitute the student as being truant. The administration:

- Shall serve written notice to the parents or guardian of the pupil.
- Referral to the SAP team may be recommended (see also: SAP).

When a student has accumulated **four (4) days** of unlawful absences or its equivalent, administration shall schedule a **Tuancy Elimination Plan (TEP)** meeting with the student and parent/guardian. If the parent/guardian fails to attend the TEP meeting, the administrator will complete the School Attendance Improvement Plan; the plan shall be retained in the student's file.

When a student has accumulated **six (6) days** of unlawful absences or its equivalent, the student is considered **habitually truant**. Absences that occur after the Tuancy Elimination Plan meeting has taken place will result in:

- The case being referred to the local magistrate for violation of the Pennsylvania compulsory attendance laws. NOTE: Attendance violations can result in fines of up to \$300 per unlawful absence.
- The administration possibly filing a petition to adjudicate the student a dependent in juvenile court proceedings.
- The student being referred to a school-based or community-based attendance improvement program or the local children and youth agency.

## **Tardiness to School**

All students are expected to be in school every day and in homeroom by 7:35 am. Failure to do so will result in a tardy report being sent to the attendance office. Accumulated tardiness will result in detention. The state's school attendance laws

---

cover exceptions. Unexcused tardy minutes can be added up to equal unlawful absences.

- When you are late to school, you must check in at the main office. You should never go to class without a late slip from the office.
- All tardy students must provide an excuse upon arrival at school. If an excuse is not submitted within 24 hours after the tardy, the tardy will be recorded as unexcused (see also Excused & Unexcused Temporary Absence).
- All unexcused tardies to school or homeroom will be handled by the attendance office in the following manner:
  - 3 unexcused tardy arrivals will result in a written warning.
  - 6 unexcused tardy arrivals will result in detention. An additional detention will be assigned for every 3 tardy arrivals thereafter (tardy numbers 9 and 12).
  - Chronic tardies (tardy numbers 15, 18, 21...) will result in a minimum of a 2-day suspension.
  - Tardy to school are accumulated the entire school year.
- As with full-day absences, parental excuses are accepted for the first 10 tardies. After that, excuses for illness must come from a licensed medical professional.

## **Attendance-Virtual/Cyber Learning**

Students enrolled in the WASD Cyber Academy or remote learning must follow the same school calendar for attendance as in-person students. To be considered in attendance for the school day, students are required to be in every class for at least 30 minutes per school day or until they satisfactorily complete their assignments for the day as specified by their teachers. Failure to do so will count as a partial or full illegal absence and could result in Truancy charges as per district attendance policies. It is the parent/guardian responsibility to notify the cyber teachers and the school attendance secretary for absences due to illness, bereavement, non-school sponsored educational trips, or other acceptable reasons.

## **Bookbags**

Students are not permitted to carry bookbags, backpacks, or any other item that is used to carry books, notebooks, and/or any other class material during the school day except for the district provided laptop bag. All such items must be stored in the student's locker or cubby upon arrival at school.

## **Bullying**

All forms of bullying are unacceptable and, to the extent that such actions are disruptive of the educational process of the School District, offenders shall be

---

subject to appropriate staff intervention, which may result in administrative discipline. Bullying incidents that occur outside the school setting may be subject to the provisions of this policy if such incidents interfere with the bullied students' education or disrupt the educational process of the school and/or may be referred to outside law enforcement agencies.

Bullying shall mean unwelcome verbal, written, or physical conduct directed at a student by another student that has the effect of:

1. Physically, emotionally, or mentally harming a student.
2. Damaging, extorting, or taking a student's personal property.
3. Placing a student in reasonable fear of physical, emotional, or mental harm.
4. Placing a student in reasonable fear of damage to or loss of personal property; or
5. Creating an intimidating or hostile environment that substantially interferes with a student's educational opportunities.

Cyber bullying includes, but is not limited to, the following misuses of technology: harassing, teasing, intimidating, threatening, or terrorizing another student or staff member by way of any technological tool, such as sending or posting inappropriate or derogatory email messages, instant messages, text messages, digital pictures, images, or website postings (including blogs) which has the effect of:

1. Physically, emotionally, or mentally harming a student.
2. Placing a student in reasonable fear of physical, emotional, or mental harm.
3. Placing a student that substantially interferes with a student's educational opportunities.

## **Bus Assignment & Procedures**

### **Administrative Regulation: Policy 810**

#### **Student Bus & Route Assignment**

Students will be picked up and dropped off at one (1) bus stop. This bus stop can be one for the AM pick-up and a different stop for the PM.

All students will be assigned a bus seat by the bus driver and/or principal. Students in grade five (5) and six (6) are not permitted nor will be assigned to sit in the back half of the bus.

**Middle and high school students are not permitted to ride the elementary school bus in the morning if they miss their regularly assigned bus stop and time. Truancy and/or student disciplinary action may be taken by the principal or assistant principal for tardy arrivals or absences as per board policy (see Attendance).**

The district will work with parents regarding reasonable babysitting or daycare arrangements. This means a child will be picked up and/or discharged at the same loading zone daily on a weekly basis. There can be one pick-up/drop off for the morning and a different one for the afternoon.

The district will honor split custody arrangements where both parents live in the district. Parents in this situation are encouraged to utilize the same daycare or babysitter to minimize the potential for four different stops in one week. These will be handled on a case-by-case basis.

“Day of change” requests to an assigned afternoon bus route must be requested before 2:00 p.m. and will only be honored for family illness, death, or accident. No other changes will be accommodated.

---

The district recognizes families are faced with work, childcare, and custody constraints, and will consider written requests for an individual stop alternative for these reasons. Requests will only be granted under the exceptions discussed above and will be subject to the following criteria:

1. There is space available on the alternative bus requested and the stop is already designated on an established bus route.
2. The change will be long term or pursuant to a Custody Order issued by a court of competent jurisdiction within the Commonwealth of Pennsylvania, except under emergency conditions.
3. Custody arrangements must be supported by a written custody agreement (copy provided to the school the child attends).
4. The schedule must be the same set schedule every week (no variations from week to week).
5. Requests for changes to a student's normal bus schedule must be made in writing and submitted to the principal at least 2-weeks in advance.

### **Bus Passes-Middle School**

Friday bus passes are available to elementary and middle school students if there is available capacity on the bus and the request is made in writing. Both students must bring their written bus passes to the main office where they will be approved and returned. These passes will only be approved for existing bus stops on existing routes.

### **Bus Stop**

1. Be on time at the designated stop 5 minutes prior to the bus's arrival. Dress according to weather conditions.
2. Follow all proper walking rules getting to the bus stop.
3. Stay well off the road while waiting for the bus to stop.
4. Be considerate of private property – keep off lawns and away from buildings.
5. Proper school appropriate behavior is expected at the bus stop.
6. Before approaching the bus, wait until the bus comes to a complete stop, the red lights are flashing, and the bus driver signals you to board the bus.
7. If crossing the road to board the bus, stay alert, cross at least 10 feet in front of the bus, look for cars and cross only with the red bus lights flashing. Always double check for traffic.

### **While on the bus**

1. Always go directly to the assigned seat and remain seated. More than one student may be assigned to a seat.
2. Keep your head, hands, and arms inside the bus and to yourself.

- 
3. Keep the aisle clear – items that won't fit on the lap are not permitted on the bus.
  4. Classroom conduct is required with normal conversation. Be courteous and respectful to peers and driver.
  5. Treat the bus with care – any damage must be paid for by the offender. Throwing items is not permitted.
  6. Keep all sharp objects in a book bag, including pens and pencils.
  7. Be quiet when approaching a railroad crossing.
  8. Large radios are not permitted; but with driver permission, smaller radios, MP3 players with headphones are allowed – not to be audible to others. The student is responsible for these items.
  9. All material carried on the bus must be held on the student's lap.
  10. No pets or live animals are permitted on the bus.
  11. Any student involved in unlawful behavior or actions will be reported to the proper building administrator and possible law enforcement agency as needed by the transportation supervisor or designee.

### **Leaving the bus**

1. Students may not leave the bus at any other stop than the one assigned to them unless they have a signed note from their parents or guardian permitting such a change. This request must be signed by the building principal. Friday is the only day that transferring will be considered unless there is an emergency.
2. Stay seated until the bus comes to a complete stop. Do not push or shove.
3. When exiting the bus, be alert. Look for traffic and never walk back towards the bus.
4. Never cross behind the bus.

### **Parent responsibilities**

1. Riding a school bus is a privilege.
2. If a student is suspended from riding the bus by the building principal or transportation supervisor, the parents are responsible for transporting the student to and from school. Lack of transportation is not a legal excuse for missing school under those conditions and the student's absence will be marked unexcused. If the student is under seventeen years of age, the absence will be marked as illegal.
3. The bus stop for a student cannot be changed unless there is an emergency. In an emergency, parents must notify the student's school prior to picking up a student at a school which is a transfer point or once the student has boarded the bus for the trip home.

## **Possible Consequences of Cafeteria Procedure Violations**

- Moving seat

- Office referral/detention

## **Point of Sale Program**

Students access the cafeteria's point of sale system by using their assigned student ID number. All students must know their ID to purchase breakfast, lunch or a la carte items from the cafeteria. Students may deposit money daily into their account, but it is encouraged that parents pre-deposit money into their child's account. All food purchases will be automatically deducted from their account.

The cafeteria uses the program School Café to monitor student's cafeteria balances. It is free to create an account, view the current balance, and see what items were purchased. There is a fee to add money to the account through the app or website, but students may still bring in cash or check to add money to their account. Any balance left from the previous school year will transition to the current school year.

## **Snack Guidelines**

It is the responsibility of the classroom teacher to monitor classroom snacks. Nutritious classroom parties are available through the Nutrition Group. Options include whole grain cake pops, cookie cakes, and a variety of snacks and beverages (which can include fruits, vegetables, grains, water, juice, or milk). Please contact the food service director, Jeannine Miller at [Jeannine.Miller@wattsburg.org](mailto:Jeannine.Miller@wattsburg.org) or at 814-824-3400 ext. 4543 to order a classroom party.

Children may also bring nutritious snacks (see suggested Nutritious snack ideas below) to share with all their classmates on holiday party days and for birthday celebrations. Please limit the treat to one item per child. The number of classroom parties/celebrations with food/beverages may be limited by the building principal. The teacher will inform the building principal of food as rewards and/or incentives that do not fall under the Suggested Nutritious Snack Ideas for approval.

Parents and student must contact the classroom teacher in advance to arrange a time that will not disrupt the classroom schedule and to determine an appropriate snack since some children may have food allergies, diabetes, or other conditions that require specific considerations. Parents/guardians should only bring food in when requested for scheduled parties, rewards, or special events.

**Parent/Guardian Specific**

- If a student needs lunch, and they have \$0 account balance, their account will be charged.
- Students cannot purchase a la carte snacks, entrees, sides, or an additional meal if they do not have the money in their account or cash.
- Also, cafeteria staff cannot tell a student if they have a low or negative balance unless they ask. It is up to the school how they want to notify the parents if an account balance is low or negative.

Parents can purchase insurance at the beginning of the year. In the event of damage, non-insured students will be responsible for the full cost of repair or replacement.

## Discipline Procedures

School can be an enjoyable experience, rewarding you both socially and educationally. Our major goal is to teach, yours is to learn. Rules, regulations, and policies are set and enforced to assure order, harmony, and guarantee everyone the opportunity to learn. At times, student responsibilities, basic rules, regulations, and policies are forgotten or broken. When this happens, certain disciplinary actions are taken.

For many minor offenses and first-time offenses, teachers are encouraged to call parents and discuss student behavior. If behavior does not improve other measures will be enforced. The school board recognizes that there are alternatives in the disciplining of students and permits the use of detention, in school suspension or out of school suspension as legitimate practices. Further, the administration retains the right to exclude any student from participating in extracurricular activities at any time if it is in the best interest of the school.

---

## **Fighting**

To maintain a safe education environment in the building, fighting, and/or violent incidents will not be tolerated. Student involved in these actions will be subject to the WAMS Discipline code and/or legal actions. Generally, all participants involved will be automatically receive a three-day suspension. Exceptions may be made by the principal when an investigation reveals that one of the parties involved was strictly a victim.

## **Detentions**

Detentions are held two days a week after school from 2:35-3:45 p.m. Any student arriving after 2:35 may serve another detention the following week. No one will be dismissed from the detention room until 3:45 pm. Parents must provide transportation for students and must pick up their child immediately following the detention. Parents will receive a letter regarding the detention that details the situation and indicates the date of the detention. Students will have an assigned packet of work to complete during detention. If time permits, students will study or do homework.

## **Skipping Detention**

A detention must be served on the day it is assigned. The only excuses acceptable will be a doctor's excuse or to take care of a legal matter. The office must be informed of the planned nonattendance PRIOR TO THE DAY the detention is to be served. SKIPPING DETENTIONS WILL RESULTS IN AN IN-SCHOOL SUSPENSION.

## **In-School Suspension**

To maintain greater control and provide more guidance for students whose disruptive behavior forces their temporary removal from the regular classroom, in-school suspension shall be conducted. In-school suspension is supervised by a certified teacher. In-school suspension will be held in conformance with the following guidelines:

1. Students will be assigned to in-school suspension by the principal.
2. The administration will inform teachers of those student(s) that have been assigned to in-school suspension. Work assignment forms will be filled out by the student's teachers to be completed during suspension. The office will send the student's work to the ISS room.
3. The building administration will notify the student's parents in writing that a student has been assigned to in-school suspension, giving the reason for such assignments. A conference may be held at the parents' request.

- 
4. The student assigned to in-school suspension will report with all schoolwork materials.
  5. Credit shall be given for all assigned classwork completed during the period of suspension. This material will be returned to the teachers from the ISS room. The student may also make up any test or quiz given during the suspension. Evaluation of the classwork and test/quiz shall be done by the classroom teacher.
  6. Students will not be readmitted to class until their assignment to the in-school suspension room has been fulfilled.
  7. The in-school suspension teacher decides whether the student passes/fails the suspension. Extra days will be assigned if a student fails to comply with the rules or finish assigned work.
  8. The school counselor and/or other appropriate personnel shall see all students who are suspended a second time for the same reason.
  9. Students may not attend or participate in extracurricular activities while under in-school suspension.
  10. The administration will request a conference with the parents of those students assigned in-school suspension for the third time.

### **Out-of-school suspension**

1. When a student is suspended, the parents will be contacted by phone. If the offense is serious enough, the parents will be asked to come to the school and pick up their child and discuss the incident. Parents will also receive written notification of the offense and outcome.
2. When a student is returning from a suspension, the parent/guardian must return them personally to school to be readmitted. A conference must be held with the principal, parent, and student.
3. When suspended, students are not permitted to participate in any extracurricular sports or activities since they are not permitted on campus as a whole. If requested and/or cleared by administration, students can only be on campus for official school business (i.e. meetings, hearings, etc.).
4. Teachers will send work for students electronically or parents will be notified when it is available for pick up. It is the students' responsibility to contact the teacher with any questions and to complete assignments as per due dates established by teachers.
5. The schoolwork is to be given to the teacher for evaluation no later than the day after the last equivalent day for the suspension. If more time is needed, it is up to the student to request it from the teachers.
6. If the suspension period includes a weekend or a time when school is not in session, the exclusion from extracurricular activities covers that period also.

---

## **Early Dismissal/Late Arrival**

It is required that a note, signed by the parents, is handed into the office for any student who arrives late to school or needs to be dismissed early from school.

Leaving School: Doctor appointments, dental appointments, and court appearances constitute valid reasons for leaving school early. Other cases will be evaluated on an individual basis by the principal.

## **Educational Trips/Non School Sponsored**

Pre-approval from the principal is mandatory. You may pick up form at the school office or download it from district website. All forms must be submitted **one week** before the trip. Failure to submit the form in a timely manner could result in the absent days being marked unlawful which could lead to truancy. It is the obligation of the student to notify teachers no less than five (5) days in advance of the trip to give teachers time to gather assignments for students to complete while gone. Please try to avoid trips during the state assessment windows posted on the district webpage.

## **Electronic Devices**

Electronic devices shall include all devices that can take photographs, record audio or video data, store, transmit or receive messages or images, or provide a wireless, unfiltered connection to the internet. Examples of these electronic devices include, but shall not be limited to, smart phones/cell phones, iPads/tablets, handheld game consoles, ear buds, smart watches, and laptop computers, as well as any new technology developed with similar capabilities. In the event of a fire drill, students are to file quickly and quietly out of the building using the exits indicated on the chart for the room they are in at the time of the drill. Students must remain quiet when leaving the building. When the return signal is given, students are to return quietly and quickly to the room they left.

Severe weather drills will be scheduled periodically. Students will be directed by staff during these drills.

## **Field Trips-School Sponsored**

Field trips to places of interest in and outside the community are considered extensions of classroom activities. Teachers will keep parents informed of upcoming field trips and parents must sign a field trip permission slip for their child to participate. Signed permission slip and any applicable costs must be turned in by the due date since late additions may not be able to be accommodated with outside companies. Field trip meals can be provided from the cafeteria for the same cost as a school meal.

Transportation is provided by the school district. Students are expected to exhibit good behavior on the bus as well as at the visitation site; students who do not follow school rules will be subject to the WASD disciplinary Code. Participation in school sponsored field trips is not a right and may be denied to any student who has demonstrated disregard for the policies and rules of the school. The principal

---

reserves the right to deny participation if a student's behavior poses a threat to the safety of the student or others or is disruptive to the educational program.

Participation may be denied for the following reasons:

- Any student that is assigned ISS or OSS as a disciplinary consequence may be denied participation in any school sponsored field trip or activity (including but not limited to off campus trips, field days, Sports Days, or any special event taking place during all or part of the regular school day) if the offense occurred within 45 days of the school sponsored trip or activity.

## **Fundraising and Activities Fund**

The board prohibits the collection of money by a student for personal benefit in school buildings, on school property, or at any school sponsored activity. A 93%-100%

B 85% - 92%

C 77% - 84%

D 70% - 76%

F Below 70%

All classes will receive a percentage grade.

All nine-week grades will carry equal weight in the yearly or semester calculation of grades. It is the teacher's option to use final examinations or final evaluations. The final grade for the student will be determined by adding the percentage earned for each nine-week grade and dividing by four or two depending on whether is for a full year course or a half year course.

---

## Gym

All students are required to participate in all assigned physical education classes. If a student has a disability that will keep him or her from participation for an extended period, they are required to obtain an excuse form from the nurse's office and have it completed by their doctor and returned to school. This must be done within a reasonable amount of time. In all cases, students are required to report to the physical education class. All students in extra-curricular activities must actively participate in P. E. classes. Those students who do not comply may forfeit their right to participate in their extracurricular activity that day.

3. If the electronic hall pass system is not working, teachers may sign a paper pass or a student agenda to act as a hall pass.
4. Cafeteria passes are given to students and are issued during lunches.
5. Abuse of hall passes may result in restricted hall pass privileges and or disciplinary action.
6. Even with a hall pass, no more than three students may be permitted in a student restroom at any time.

### **Definitions**

*"Discrimination"* shall mean to treat individuals differently, or to harass or victimize based on a protected classification including race, color, age, creed, religion, sex, sexual orientation, ancestry, national origin, marital status, pregnancy and/or handicap/disability.

*"Harassment"* is a form of discrimination based on the protected classifications listed above consisting of unwelcome conduct such as graphic, written, electronic, verbal or nonverbal acts including offensive jokes, slurs, epithets and name-calling, ridicule or mockery, insults or put-downs, offensive objects or pictures, physical assaults or threats, intimidation or other conduct that may be harmful or humiliating or interfere with a person's school or school-related performance when such conduct is:

1. sufficiently severe, persistent, or pervasive; and
2. A reasonable person in the complainant's position would find that it creates an intimidating, threatening or abuse educational environment such that it deprives or adversely interferes with or limits an individual or group of the ability to participate in or benefit from the service, activities or opportunities offered by the district or school.

It shall be a violation of this policy to harass a student or district employee. Bullying can be a form of harassment. A student's sending, sharing, viewing, selling, purchasing, or otherwise disseminating or obscene, pornographic, lewd, sexually explicit, or nude images, photographs or video content of another student may be considered harassment.

---

“Title IX Sexual Harassment” - means conduct on the basis of sex that satisfies one or more of the following:

3. Sexual assault, dating violence, domestic violence, or stalking.
  - a. *Dating violence* means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship is determined by the following factors:

    - ii. Suffer substantial emotional distress

Such conduct must have taken place during a district education program or activity and against a person in the United States to qualify as sexual harassment under Title IX.

---

An education program or activity includes the locations, events, or circumstances over which the district exercises substantial control over both the respondent and the context in which the harassment occurs. Title IX applies to all of a district's education programs or activities, whether such programs or activities occur on-campus or off-campus.

Violations of this **Harassment/Sexual Harassment/Title IX Sexual Harassment Policy**, as set forth more fully in Board Policy 103 "Discrimination/Title IX Sexual Harassment Affecting Students" and associated Attachments 2 and 3, including acts of retaliation as described in the policy, or knowingly providing false information, may result in disciplinary consequences under applicable Board policy and procedures. This Policy prohibits individuals from knowingly submitting false information during the Title IX grievance process outlined in Attachment 3 of Policy 103 and during other grievance or hearing processes established by Board policy and procedures and/or the Student Code of Conduct. A violation of this prohibition by district students may lead to discipline up to and including referral for expulsion.

**Reports of Title IX Sexual Harassment and Other Discrimination and Retaliation and Grievance Procedure:**

The Board encourages students and third parties who believe they or others have been subject to Title IX sexual harassment, other discrimination, or retaliation to promptly report such incidents to the building principal or the Title IX Coordinator, even if some elements of the related incident took place or originated away from school grounds, school activities or school conveyances. A person who is not an intended victim or target of discrimination but is adversely affected by the offensive conduct may file a report of discrimination.

The student's parents/guardian or any other person with knowledge of conduct that may violate this policy is encouraged to immediately report the matter to the building principal or the Title IX Coordinator.

A school employee who suspects or is notified that a student has been subject to conduct that constitutes a violation of this policy shall immediately report the incident to the building principal or Title IX Coordinator, as well as properly making any mandatory police or child protective services reports required by law.

If the building principal is the subject of a complaint, the student, third party or a reporting employee shall report the incident directly to the Title IX Coordinator.

The complainant or the individual making the report may use the Discrimination/Sexual Harassment/Bullying/Hazing/Dating Violence/Retaliation Report Form which has been developed for purposes of reporting an incident or incidents in writing; however, verbal reports of an incident or incidents shall be accepted, documented and the procedures of this policy and the relevant attachments followed. ---

The building principal shall promptly notify the Title IX Coordinator of all reports of discrimination, Title IX sexual harassment or retaliation. The Title IX Coordinator shall promptly contact the complainant regarding the report to gather additional information as necessary, and to discuss the availability of supportive measures as defined by Title IX. The Title IX Coordinator shall consider the complainant's wishes with respect to supportive measures.

The Title IX Coordinator shall conduct an assessment to determine whether the reported circumstances are most appropriately addressed through the District's Discrimination Complaint Procedures (Attachment 2 to Policy 103) or if the reported circumstances meet the definition of Title IX sexual harassment and shall be addressed through the Title IX Sexual Harassment Procedures and Grievance Process for Formal Complaints (Attachment 3 to Policy 103). Those procedures are lengthy, and copies of the procedures are not reproduced in full in the Student Handbook but can be accessed on the district's website at: [www.wattsburg.org](http://www.wattsburg.org) and/or hard copies are available in the building principal's office and through the Title IX Coordinator.

Per WASD Policy #247, hazing is defined as any action or situation which recklessly or intentionally endangers the mental or physical health or safety of a person, or which willfully destroys or removes public or private property for the purpose of initiation or admission into or affiliation with, or as a condition of continued membership in, any organization. The term shall include, but not be limited to:

1. Any brutality of a physical nature, such as whipping, beating, branding.
2. Forced calisthenics.
3. Exposer to the elements.
4. Forced consumption of any food, liquor, drug, or other substance.
5. Any other forced physical activity which would subject the individual to extreme mental stress, such as sleep deprivation, forced exclusion from social contact, forced conduct which is intended to or could result in humiliation, extreme embarrassment, or any other forced activity which could adversely affect the mental health or dignity of the individual, or
6. Any willful destruction or removal of public or private property.

The WASD School Board prohibits hazing in connection with any student activity or organization regardless of whether the conduct occurs on or off school property or outside of school hours.

---

The WASD school board encourages students who have been subjected to hazing to promptly report such incidents to the building principal.

Any student who knowingly witnesses or fails to report knowledge or information of any incidents of hazing may be a participant in the hazing.

No student, parent/guardian, coach, sponsor, volunteer, or district employee shall engage in, condone, or ignore any form of hazing.

**Complaint procedure:**

A student who believes that s/he has been subject to hazing, shall take the following action:

1. The student shall promptly report the incident, orally or in writing, to the building principal.
2. The principal shall investigate and document the corrective action taken.

**Consequences for Violations**

A student who violates this policy shall be subject to appropriate disciplinary action consistent with the Code of Student Conduct, which may include:

1. If the investigation results in a substantiated finding of hazing, the principal shall recommend appropriate disciplinary action up to and including expulsion, as circumstances warrant, in accordance with the Code of Student Conduct. Additionally, the student may be subject to disciplinary action by the coach or sponsor, up to and including removal from the activity.
2. If the investigation results in a substantiated finding that a coach, sponsor, or volunteer affiliated with the student activity or organization engaged in, condoned, or ignored any violation of this policy, s/he shall be disciplined in accordance with board policy and applicable laws and regulations. Discipline could include, but is not limited to, dismissal from the position as coach, sponsor, or volunteer, and or dismissal from district employment.
3. If a student activity or organization authorizes hazing in blatant disregard of this policy or other applicable district rules, penalties may also include reversal of permission for the organization to operate on school property or to otherwise operate under the sanction or recognition of the district.
4. Any person who causes or participates in hazing may also be subject to criminal prosecution.

## Health Services

Any student who becomes ill during school hours must report to the nurse's office. No student should stay in the restroom, or you will be considered skipping class. Passes are required to go to the nurse's office except in an emergency. In non-emergency situations, teachers will call to check nurse availability before sending a student. Students are not permitted to use their cell phone to call home or leave school without proper authorization.

All students will receive a form in homeroom to have a parent or guardian fill out at the beginning of the year. On the form the parent will indicate pertinent information for the school nurse to use in case of emergency or other health related problems.

In the event of an accident or injury during school hours, the student is to report the accident or injury to the nurse. An accident report is completed, and a parent or guardian is notified as to the nature of the accident or injury. This includes ALL injuries received because of participation in any sport or other extra-curricular activity under the direction of the school.

Taking any medication during school hours is to be done in the nurse's office. Students are not permitted to carry any medication themselves, whether prescription or over the counter. There are special medication forms available in the nurse's office for the physician who is prescribing the medication to complete and return to the nurse. This keeps the nurse informed of health problems students are having. It also helps the nurse in the event a student on medication might develop an allergic reaction to the first dose of medication. Please remember, the nurse can give effective health care only when informed of all health-related information concerning the students. Please refer to board policy number 210 and 210.1 (asthma inhaler guidelines) for exact rules and regulations regarding medications both prescribed and over the counter.

All seventh-grade students will receive a **dental exam**. The school will provide a dentist for this purpose. If parents prefer to have their own dentist give the dental exam, they may do so, but the cost will not be paid by the district. A report of the exam must be sent to the school nurse by the dentist.

State Law requires all sixth-grade students to have a **physical**. The school will provide a physician for this purpose or parents may choose to take their students to their own physician. A report of the physical must be sent to the school nurse by the physician.

A **scoliosis screening** program is done each year in grades six and seven. The span of these ages is necessary to be certain that no possible case of treatable scoliosis is overlooked. A trained screener will check the student's back by observing it while

---

standing and bending forward. Parents will be contacted if there is any reason to have their child re-examined. Parent cooperation is essential to help us make the program run smoothly. If there are any objections to participating in the screening program, parents should inform the school nurse.

### **Immunizations**

All students shall be immunized against certain diseases in accordance with state law and regulations unless specifically exempt for religious or medical reasons. A student who has not been immunized in accordance with state regulations shall not be admitted to or permitted to attend district schools, unless exempted for medical or religious reasons or provisionally admitted by the Superintendent.

### **Act 195 Epinephrine**

A Pennsylvania law allows for schools to house & administer emergency epinephrine if needed for a student who has a life-threatening allergic reaction (anaphylaxis). This law was passed to help improve access to this life-saving medication. This is not intended to replace epinephrine provided by a physician for students who have a known diagnosis of severe allergy to things such as bees, latex, peanuts, tree nuts, shellfish, and various other foods. The law provides that parents be permitted to “opt out” if they do not wish for their child to be given epinephrine in the event of a (previously unknown) life-threatening allergic reaction. Please contact your child's school nurse if you wish to complete & sign the “2014 Act 195 Student Exemption Form” as soon as possible. For further information, please visit [www.epipen4schools.com](http://www.epipen4schools.com).

## **Homeless Students**

The federal McKinney-Vento Homeless Assistance Act defines the term “homeless children and youths” to mean individuals who lack a fixed, regular, and adequate nighttime residence, which include the following conditions:

- Sharing the housing of other persons due to loss of housing or economic hardship.
- Living in motels, hotels, trailer parks, or camping grounds due to lack of alternative adequate accommodations.
- Living in emergency, transitional, or domestic violent shelters.
- Abandoned in hospitals.
- Awaiting foster care placement.

- 
- Living in public or private places not designed for or ordinarily used as regular sleeping accommodations for human beings.
  - Living in cars, parks, public spaces, abandoned buildings, substandard housing, transportation stations, or similar settings.
  - Living as migratory children in conditions described in previous examples.
  - Living as run-away children.
  - Abandoned or forced out of homes by parents/guardians or caretakers.
  - Living as school age unwed mothers in houses for unwed mothers if they have no other living accommodations.

Every reasonable effort will be made to identify homeless children within the district, encourage their enrollment, and eliminate existing barriers to their attendance and education, in compliance with federal and state law and regulations. For more information, please see School Board Policy #251. You may also contact, Assistant to the Superintendent, at 814.824.3400 ext. 4532.

## **Homework Requests**

Parents can request homework for students who are out of school due to illness by calling the office during regular business hours or emailing the teachers directly. When requested through the office, teachers are given 24-hours to supply work for students when requested. Please make arrangements for homework to be picked up during office hours. Homework will be provided for students that have been suspended three or more days (OSS).

## **Honor Roll**

Students who are on the Honor Roll or Faculty Honor Roll each grading period are given a certificate of achievement and will be recognized throughout the school year. Student grades will be used to determine Honor Roll and Faculty Honor Roll. Honor Roll and Faculty Honor Roll will be calculated by averaging the percentage graded earned for ALL classes taken. A student must have an overall average of 85% - 92% to receive Honor Roll and an overall average of 93% or higher to receive Faculty Honor Roll. Any percentage under 84% in any class will negate the student from making Honor Roll and any percentage under 92% in any class will negate the student from making Faculty Honor Roll.

---

## **Incomplete Grades**

Students who receive “incomplete” grades during the marking period must take the responsibility of doing the required make up work. The work must be made up within 4 weeks of the end of the previous marking period for which the “incomplete” was recorded. If it is not taken care of properly, the “incomplete” grade will be automatically turned into an “F” grade. Unusual circumstances will be taken into consideration on an individual basis. In all cases, it is the student’s responsibility to see that the work left incomplete is made up. There is no provision to make up “incomplete” grades for the last marking period of the year. If the grade is incomplete at the end of the year, the teacher will give a grade based on work that was completed during that marking period.

## **Lockers**

Locker assignments for 7<sup>th</sup> and 8<sup>th</sup> grade students are made by the principal through the office and will be listed on the student schedule. Students are not to change lockers or share lockers with other students. Doing so could lead to a disciplinary action. Lockers are the property of the school district.

1. Because the school is not responsible for loss damage of theft of any items, do not leave money or valuables in your locker.
2. School locks will be provided for use by all 7/8 grade students at no cost. Locks must always be kept on lockers. They will be the property of the school district and will be turned in at the end of the year. Damage to school lockers may result in a fine. There is also a fine for lost locks.
3. Students are not permitted to sell any items in their possession or from their locker. Regardless of whether a substance, item, or device, the use, possession, or sale of any such items is considered a crime under the laws of Pennsylvania.

### **12.14 Searches (PA Code)**

School authorities may search a student’s locker and seize any illegal materials. Such materials may be used as evidence against the student in disciplinary proceedings. Prior to locker search students shall be notified and given an opportunity to be present. However, where school authorities have a reasonable suspicion that the locker contains materials that pose a threat to the health, welfare, and safety of students in the school, student lockers may be searched without warning.

## **Parent Teacher Organization**

The Wattsburg Area Middle School Parent Teacher Organization is an organization of parents concerned with helping our school. Every parent is invited to this group. Regular meetings are held once a month to discuss activities they can provide as well as other activities/field trips they can sponsor.

## **Report Cards**

At the end of each nine-week period students will be given a report card to take home and review with their parents. The percentage grade will be an evaluation of how well students have met the requirements of the course. After parents and child review the report card, it should be signed and returned to the homeroom teacher. The fourth nine-week report card will be mailed.

Report cards will be sent home with students at the end of each marking period. Final report cards will be mailed home.

## **School Counselor**

A School Counselor's top priority is student success, and this is monitored through academic planning, monitoring social-emotional well-being, and identifying future career and educational plans. The role is to provide short-term, solution-focused counseling for students during a few sessions to address a particular concern, issue, or need to direct students to find ways to solve the issues and reinforce positive conflict resolution and coping strategies.

As an academic advisor, the School Counselor works equally with all students to monitor grades and meet with students as needed to discuss academic success and create improvement plans when necessary. If a student exhibits difficulty in certain academic areas, the school counselor can collaborate with parents and teachers to create an academic improvement plan.

Through individual and group activities as well as collaboration with parents and teachers, the School Counselor will also identify and help students in need by referring them to further services both in and out of school. These in-school services may include peer mediation, conflict resolution, and self-reflection to promote independence and confidence. The collaboration with outside services and supports offers experiences to students that promote career exposure and planning, social emotional learning, and life skills such as social media safety, anti-bullying/being a good friend lessons, conflict resolution, effective communication skills, leadership, drug and alcohol education and prevention, and mental health awareness.

Parents with concerns should contact the student's teachers and School Counselor to initiate the team approach for support of any kind.

## **School Resource Officer**

**School Resource Officer (SRO)** - a law enforcement officer commissioned and employed by a law enforcement agency whose duty station is in the district and whose stationing is established by an agreement between the law enforcement agency and the district. The term includes an active certified sheriff or deputy sheriff whose stationing in the district is established by a written agreement between the county, the sheriff's office and the district.<sup>[1]</sup>

The agreement shall address the powers and duties conferred on SROs, which shall include but not be limited to:<sup>[29]</sup>

- 
1. Assist in identification of physical changes in the environment which may reduce crime in or around a school.  
Assist in developing Board policy, administrative regulations or procedures which address crime, and recommending procedural changes.
  2. Develop and educate students in crime prevention and safety.
  3. Train students in conflict resolution, restorative justice, and crime awareness.
  4. Address crime and violence issues, gangs and drug activities affecting or occurring in or around a school.
  5. Develop or expand community justice initiatives for students.
  6. Other duties as agreed upon between the district and municipal agency.

## **Searches**

### **School administrators are hereby authorized to:**

1. Conduct routine searches of student lockers and desks.
2. Conduct thorough searches of students and their possessions, in the presence of a witness, in any case of suspected possession, use, or distribution of unauthorized substances.
3. Confiscate an unauthorized substance or material of questionable purpose.
4. Search and seizure authorization are extended to professional school employees during school sponsored activities or when an administrator is unavailable.

## **Smoking/Vaping**

For the purpose of this policy, "smoking" shall mean all uses of tobacco, including cigar, cigarette, pipe, chewing tobacco and snuff. The board prohibits smoking by students in school buildings, on school grounds, and on school buses. Discipline regarding smoking and possession of tobacco products on school district property or on buses will result in charges being filed with the district justice, possible fines and court costs. Students may further be subject to the district discipline policy which is as follows.

1. *First Offense*: Out-of-school or in-school suspension for a period of three days or until a parent conference is held. Parents shall be apprised of the penalties for subsequent violations.
2. *Second Offense*: Out-of-school or in-school suspension for a period of six days or until a parent conference is completed.
3. *Third Offense*: Out-of-school or in-school suspension for a period of up to ten days.

- 
4. *Fourth Offense:* Out-of-school or in-school suspension for a period of up to ten days. Students shall be required to attend a smoking cessation class prescribed by the administration. In lieu of the smoking cessation class, proceed to fifth offense disciplinary procedure.
  5. *Fifth Offense:* Out-of-school suspension until a hearing before the board of education can be scheduled for possible expulsion.

Policies 222, 323 and 904 contain a new, comprehensive definition for the term "tobacco product," which now incorporates vaping products, including the product marketed as Juul and other types of electronic cigarettes. Terminology was updated throughout the policies to reflect the new comprehensive definition of tobacco products.

The term tobacco product is also defined in the law to exclude a device that is sold by a licensed dispensary in compliance with the Medical Marijuana Act. While this exclusion is spelled out in the policy based on the definitions in the law, the policy contains language clarifying that federal law requires school entities to maintain a drug-free environment, at which marijuana of any kind is prohibited.

Policy 222 addressing students refers districts to the PA Department of Health guidance issued on medical marijuana in schools and states that possession of any form of medical marijuana by students at any time on school property or during school activities on school property is prohibited.

The policies prohibit the possession, use, purchase or sale of tobacco and vaping products by students. Employees and members of the public attending school events or using school facilities may possess tobacco or vaping products if they are of legal age but use or sale of such products is prohibited on school property. Students who violate Policy 222 will be subject to prosecution initiated by the school entity and, if convicted, will be required to pay a fine, plus court costs, or the court may admit the student to an adjudication alternative in lieu of imposing the fine.

## **Student Speech & Off Campus Conduct**

In accordance with School Board Policy 218, The Code of Student Conduct applies to student behavior that occurs at other times and places ("off-campus") when:

1. Conduct **involves, threatens, or makes more likely violence, use of force or other serious harm directed at students, staff, or the school environment;**
2. **The** conduct materially and substantially disrupts **or interferes with** the school **environment or the educational process, such as school activities, schoolwork, discipline, safety, and order on school property or at school functions;**

- 
3. **The conduct interferes with or threatens to interfere with the rights of students or school staff or the safe and orderly operation of the schools and their programs;**
  4. The conduct involves the theft or vandalism of school property; **or**
  5. The proximity, timing, **or motive for the conduct in question or other factors pertaining to the conduct** otherwise **establish** a direct **connection** to attendance at school, **to the school community**, or **to** a school-sponsored activity. **This would include**, for example, **but not be limited to**, **conduct** that would violate the Code of Student Conduct if **it occurred** in school **that is committed in furtherance of a plan** made **or agreed to** in school, **or acts of vandalism directed at the property of school staff because of their status as school staff.**

## Student Conduct at Events

Student responsibilities also apply to student conduct that occurs off school property and would otherwise violate the Code of Student Conduct if any of the following circumstances exist:

1. The conduct occurs during the time the student is traveling to and from school or traveling to and from school-sponsored activities, whether via school district furnished transportation.
2. The student is a member of an extracurricular activity and has been notified that off-campus conduct could result in exclusion from such activities.
3. The conduct has a direct nexus to attendance at school or a school-sponsored activity, for example, a transaction conducted outside of school pursuant to an agreement made in school that would violate the Code of Student Conduct if conducted in school.
4. The conduct involves the theft or vandalism of school property.
5. There is otherwise a nexus between the proximity and timing of the conduct in relation to the student's attendance at school or school-sponsored activity.

# Special Education & Gifted Services

## **GIFTED NOTICE**

The Wattsburg Area School District has established these procedures regarding identification of gifted children. The focus of the law, called Chapter 16, is to ensure that students are not identified as mentally gifted based on a single test score.

The district conducts ongoing screening activities to nominate potential candidates. Children may be referred to by parents or teachers. Parents who feel strongly that their child may be gifted should contact the school guidance counselor to initiate gifted screening on behalf of their son or daughter. The gifted screening process will include a review of the student's record, past test scores, report card grades, and input from those familiar with the student's learning strengths and needs.

Identification of a student eligible for gifted services is based on:

- Full scale or composite IQ score of 130 or higher on an individually administered IQ test.

*or any combination of the following criteria:*

1. A year or more above grade achievement level for the normal age group in one or more subjects as measured by nationally normed and validated achievement tests able to accurately reflect gifted performance. Subject results shall yield academic instruction levels in all academic subject areas.
2. As observed or measured rate of acquisition/retention of new academic content or skills that reflect gifted ability.
3. Demonstrated achievement, performance, or expertise in one or more academic areas as evidenced by excellence of products, portfolio, or research, as well as criterion-referenced team judgment.
4. Early and measured use of high-level thinking skills, academic creativity, leadership skills, intense academic interest areas, communication skills, foreign language aptitude, or technology expertise.
5. Documented, observed, validated, or assessed evidence that intervening factors such as English as a Second Language, disabilities defined in 34 CFR 300.8 (relating to child with a disability), gender or race bias, or socio/cultural deprivation are masking gifted abilities.

Wattsburg Area School District offers a variety of programs to meet the needs of students who are identified as gifted. Gifted programming at Wattsburg Area Elementary Center and Middle School includes enrichment activities within and outside of the regular education classroom and a Discovery program coordinated by the gifted teacher. Gifted programming at Seneca High School includes the opportunity for students to enroll in advanced placement courses, cyber courses,

---

and dual enrollment to earn college credits through participation in the Regional Choice Initiative.

Wattsburg Area School District will provide PDE with all required gifted information and/or reports related to students, personnel, and program elements.

### **Special Education Annual Notice**

The Wattsburg Area School District hereby notifies parents and guardians of children with disabilities age 3-21 of the availability of Special Education Services, under the requirements of Chapter 14 of the School Code, to meet these children's unique educational needs.

Every school has a screening and evaluation process to identify students who may require Special Education Services. If parents or guardians think their child might need Special Education Services or that the child may have a developmental delay, they can refer their child by contacting the principal of the school which the child attends, the school district Central Administration Office, or the Northwest Tri-County Intermediate Unit. Screenings and evaluations occur throughout the year and during registration for kindergarten.

Available programs and services, at no costs to parents, include:

Early Intervention - For children ages 3-5 with \*\*developmental delays and disabilities.

Learning Support - For students with Learning Disabilities or mild Mental Retardation.

Emotional Support - For students with emotional problems and/or mental health disorders.

Sensory Support - For students who are Deaf, Hard of Hearing, Blind, or Visually Impaired.

Physical Support - For students with Cerebral Palsy, Muscular Dystrophy, and other physical disabilities.

Autistic Support - For students with Autism or Pervasive Developmental Disorder.

Multiple Disabilities Support - For students with two or more disabilities, one of which is Mental Retardation.

---

\*\* IDEA 2004 states that early intervention services must be provided to infants and toddlers with developmental delays or established risk conditions. The following is information related to Developmental Delay and potential risk areas:

- Developmental delays are significant delays or atypical patterns of development that make children eligible for early intervention services. The following are potential risk areas:
  - Established risk conditions include a diagnosed physical or medical condition that almost always result in developmental delay or disability. Examples of this category are, Down syndrome, Fragile-X syndrome, fetal alcohol syndrome, other conditions associated with mental retardation, brain or spinal cord damage, and sensory impairments.
  - Biological risk conditions include pediatric histories or current biological conditions that result in a greater-than usual probability of developmental delay or disability. Examples of this category are low birth weight and significant premature birth.
  - Environmental risk conditions include factors such as extreme poverty, parental substance abuse, homelessness, abuse or neglect, and parental intellectual impairment which are associated with higher-than-normal probability with of developmental delay. (Heward, 2006, pgs.563-564)

Parents are also advised that in Pennsylvania, children with disabilities who do not require special education are protected by the regulations of Chapter 15 of the School Code. Parents who feel their child may be a child with a "protected handicapped" should contact the principal of the school their child attends for more information.

Parents are further advised that in Pennsylvania, children who are mentally gifted are protected by the regulations of Chapter 16 of the School Code. Parents who feel their child may be gifted should contact the principal of the school their child attends for more information. ## **Student Assistance Program**

The Wattsburg Area School District, in conjunction with the Pennsylvania Departments of Education and Health, has established a functioning Student Assistance Program at the middle and high school levels. It is an intervention, not a treatment program. All referrals are held in strict confidence and the laws of confidentiality work for the student who has been referred to the team.

The purpose of the Student Assistance Program is to identify high- risk students who are exhibiting issues that create a barrier to academic success or put themselves at risk for substance abuse. Such issues could be related to lack of coping skills, inability to manage stress, depression, anxiety, or other mental health concerns. These students include those having problems or concerns in the following areas but not limited to: - drug abuse - alcohol abuse - problems with relationships - dealing with grief, separation, loss, depression, divorce. It is a method for identifying, intervening, and referring these students to appropriate community services. Once identified and enrolled in the program, students receive reasonable support and referrals to appropriate supports or services from members of the SAP team. Students who qualify for more intensive outside mental health or other support services are removed from the SAP program once those services start to avoid conflict.

The summer program will be offered for those students who do not demonstrate mastery at a rate of 70% or higher in the core subjects for up to two (2) classes. Students who fail three (3) or more core subjects will not be eligible for the summer program and the child's schedule will reflect study skill classes. The summer program is contingent upon enrollment and payment is the responsibility of the parent/guardian. Payment plans can be negotiated through building administration with the understanding that if payment is not made, the student will accrue a debt that must be paid before the student graduates.

- Laser pens (pointers) are banned on school property (whether in or out of the building), school bus, and bus stop because of the safety hazards they cause.

## **Visitors on School Property**

Visitors must report to the main office and sign in upon entering and leaving the building. Additionally all visitors will be registered into the Raptor system. Raptor is a web-based software visitor management system that has the ability to scan a visitor's driver's license or other government issued photo ID. The Raptor system checks the visitors name and date of birth for comparison with a national database of registered sex offenders. No other data from the ID is gathered or recorded and the information is not shared. When visitors arrive, they will be greeted at the main office and have their ID scanned through the Raptor system. The visitors will then be issued an ID badge for admittance to the facility.
