

Welcome to Third Grade!

Hi! I'm Mrs. Woodfield, your third grade teacher. I hope you have been having a fantastic summer and are almost ready to come back to school.

My Teaching Background

This will be my 11th year teaching, 10 of which have been in third grade. I taught fourth grade my very first year, and have been in third grade ever since. I received my bachelor's degree in Elementary Education from Millersville University in 2007 and my master's degree as a Reading Specialist from Edinboro University in 2010. I started teaching in my hometown, Harrisburg, and this will be my 4th year out here in Wattsburg.

My Family

My husband, Kyle, and I celebrated our 5th wedding anniversary this summer. My daughter, Olivia, is 3 years old and will be starting preschool this fall. My son, Luke, is just about 17 months old and is busy figuring out the world and how to talk. We also have 2 dogs, Lady and Kyra who enjoy walks, treats, and playing with squeaky toys.

My Summer

This summer my family and I enjoyed swimming at the pool, story time at the library, riding rides at Waldameer, visiting the animals at the zoo, exploring the Children's Museum, and splashing in the waves at Presque Isle.

This Year

I'm not ready for the fun of summer to end, but I am ready to meet this new, fabulous group of third graders! We have 23 students in our class this year. There are 14 boys and 9 girls. Our official start date is Tuesday, August 29, but I will be around the class room on Monday, August 28th if you'd like to stop in and say "Hi!" a day early.

I'm excited to get this new school year underway. I will see you very soon!

Your third grade teacher,
Mrs. Woodfield

For Parents

Hi there! I'm Mrs. Woodfield, your child's third grade teacher. I hope this finds you in the midst of an enjoyable summer with your children. Believe it or not, summer is just about over and a new school year is right around the corner. There are just a few things I wanted you to know before we begin the year.

Bloomz

Bloomz is an online communication system for parents and teachers. I am hoping to utilize this as a communication tool this year. I can post classroom updates, photos, videos, ask for volunteers, and give reminders about important classroom events. You would have full access to all this information and also be able to private message me when needed.

You will find all the information about how to sign up on the back of this page. Please note, that if you choose the text message option, you will not be able to see any photos or videos that are posted. If you have any questions or concerns about his tool, please let me know. I am hoping to get 100% participation!

Contact Information

Below are 3 different ways to contact me when needed throughout the year. I try to get back to you during the school day, but much of my communication is done in the morning before school or at the end of the school day. If there is an emergency or change to dismissal, please contact the office and they will get a hold of me.

Email: danielle.woodfield@wattsburg.org

Phone (once schools starts): ext. 6655

Bloomz (as soon as you sign up!)

I am looking forward to a successful third grade year!
