CHRISTMAS BOOK

LISTS FOR TEACHERS AND PARENTS

Statement of Purpose: This resource has been designed to aide teachers and parents find Christmas themed books for young children ages 2-9 years. When I am organizing a unit, I often begin with books for shared, guided and independent reading. I have collated this resource to help you save time and find all of those fantastic Christmas books before you implement your unit. This classroom library resource should save you time and help students access a large range of Christmas literature.

HOW TO USE THIS RESOURCE: To help you find your books quickly, I have made a master list of books (text only) that you can easily print off. You may like to make a short list (see template pg. 11) of books on YouTube (there are so many). Your librarian may like to use your printed list to purchase books. Print your book lists 2 or 4 to one page, using your printer's settings. You may even want to print them back to back. Use the check boxes next to each book title to tick off once you have found it. If you have any questions, please contact me via our TpT store.

CHRISTMAS BOOK LIST MASTER AND CHECKLIST

TEACHERS: This list is another version of the colored book list with images. Use this printable master lists to help you locate your Christmas themed books in your school library or on line. Use the tick box bullets to highlight or tick the books that you have found. **TP:** Print 2 slides to a page, using your printer's settings.

MY CHRISTMAS BOOKS SHORT LIST for teachers

Teachers: Use this template to help you make a list of Christmas books that you will be using in your classroom. You may like to print off a few copies of this page so that you can make up different lists. You could make up a list to research in your school's library. Or make a list of books that you can locate on line such as *Google Books*, *Nook Books* and *Amazon*. Many of the books listed can also be found on *YouTube*. These videos are often a recording of someone reading them and sometimes, a PowerPoint of the actual book.

TIP: If you have a Pinterest account, you might like to also pin the books that you have on your short list from *Amazon*, *Barnes and Noble* or even *You Tube*.
